Essex County Soil and Water Conservation District Equipment Use Agreement

This agreement is between the Essex County Soil & Water Conservation District, hereinafter called SWCD, and the landowners utilizing the seeder/spreader, post hole pounder, bale mulcher, log arch, or Dew Drop Drill equipment.

Insurance: All landowners and farmers must provide a Certificate of Liability Insurance to the SWCD, naming Essex County SWCD as additional insured.

Training: The SWCD staff will provide training for equipment operators.

Scheduling of equipment will be determined through the SWCD Manager, and will be very flexible to accommodate as many as possible. Equipment will be rented by the day or for a maximum of a week at a time, and extended only if there is no one waiting to use the equipment.

Seed & Material will be purchased by the landowner utilizing the equipment.

Repairs will be made by SWCD. Report any malfunctions immediately to SWCD. Lending SWCD equipment to other landowners is not allowed.

Fees: A \$300.00 refundable deposit upon return of the equipment in good shape will be required before usage. A \$20.00 per day fee will be charged for use of the equipment, with the exception of the 5' Dew Drop Drill which will be \$30.00 per day.
